

Join us for the 2018 San Antonio trip!

Dates: May 27 – 30, 2018 **Cost:** \$415 (all-inclusive) **Transportation:** charter bus **First-come, first-serve**

Our San Antonio trip is a potentially life-changing event for graduating 8th graders! Teens have the opportunity to bond with their classmates and meet high school students who serve as mentors and seek to prepare the rising freshmen for high school. In the evenings we gather for devotionals featuring games, praise and worship music, testimonies, and more. During the day we visit Schlitterbahn Water Park, Six Flags amusement park, and downtown San Antonio.

To register please return this form, a deposit of \$250, and a current copy of your teen's immunization record to the Pastoral Services Center. Please make checks out to St. Aloysius Youth Group. All three pieces are required for us to add a teen to our trip roster. **Please do not deliver to a teacher or the school office.**

Teens are accepted on a first-come, first-serve basis except for chaperones' teens. Teens will need the orange and green youth group t-shirts; they can be purchased for \$10 apiece.
