**Catholic Social Teachings Ministry**

**Pope Francis** has drawn worldwide attention to the principles laid out in **Catholic Social Teachings**.

The Catholic Social Teachings Ministry at St. Aloysius Parish has invited David Aguillard, head of Catholic Charities in the Diocese of Baton Rouge, to talk about the social justice issues of the Catholic Church. His talk will be followed by a panel of St. Aloysius parishioners who will talk about their work in ministries of the Parish. This will be a great opportunity to reflect on Catholic Social Teachings and what is being done in our parish.

Join us on Thursday, March 27 at 6:30 p.m. in the Parish Hall
Due to unforeseen circumstances, clergy assignments may change.

PURSUITING A DYNAMIC FAITH LIFE THROUGH STEWARDSHIP:
Generosity as a path to happiness

Each year during this time, we pause as a parish community to review and renew our stewardship commitment of offering to our Parish. It is an important process for every Catholic parishioner – as much for your personal spiritual growth as it is for our many parish needs. Or put another way, we help you satisfy your basic Christian need to give back to God while helping satisfy our need to educated, form and serve the people of God. With each gift you give threefold – to yourself, to your church, and to God our Father. There is no way possible we would have what we have and do what we do, without your stewardship renewal commitments. Together, we are building on earth, the Kingdom of God.

Please put your commitment card in the collection this weekend, or mail it to the parish office. This year we are seeking a 100% response rate of commitment cards. This year, please make an offering to the Lord with a grateful heart, and choose to become a weekly envelope user if you are not already one. Forms are also available on our website.

Be Dynamic, Be Generous.

Child Care Center Annual Fish Fry
By: Holly Bilbo

The St. Aloysius Child Care Center will hold its 20th Annual Fish Fry Friday, March 14, 2014. Parish families can come enjoy some Walk On’s fried catfish, french fries, coleslaw and a dinner roll while visiting with other St. Aloysius families. Homemade desserts are also available at the Sweet Shop along with Drinks inside the cafeteria. The funds raised at the event will help maintain the highest quality of care and education for children at the Center. In the past, the Center has purchased classroom tables and chairs, playground equipment, tricycles, a 6 seat buggy for rides around the big school campus, and many more fun and exciting items to ensure the best care for St. Aloysius’ littlest parishioners!

The event will be held from 5:00 p.m. to 8:00 p.m. in the cafeteria at St. Aloysius School. Tickets for the dinner are $8, and are available in advance at the Child Care Center Office, from a parent at the Center and at the door the day of the event. For added convenience, a drive-through line will be open from 4:00 p.m. until 8:00 p.m. near the school office, accessible from Mimosa Street. Dinners are available in the cafeteria beginning at 5:00 p.m. The event is run completely by the parents of the Child Care Center. Without the parents volunteering their time and efforts, this event would not be a success. The administration and the staff of St. Aloysius Child Care Center give many thanks to the wonderfully supportive families who without them, this event would not happen.

Save the date, and we look forward to seeing all of the St. Aloysius Parishioners on March 14!
Who is my neighbor?

When volunteers from the St. Vincent de Paul Conference at St. Aloysius go out two-by-two on home visits, they never know exactly what they will encounter, but they go in faith and with the assurance that the Holy Spirit will guide them in their assessment of a client’s need. Before the volunteers visit the client, they usually know the client’s immediate financial need, but often find during the visit that the client has additional financial needs that exceed the financial limits of the Conference. Providing financial assistance is not the most important role of the volunteers; being present to the client is far more important. Below is an account of one such visit.

An older woman in need of food contacted our St. Vincent de Paul Conference. When we arrived at her home we immediately met her precious and ever-so-shy grandson, who we soon learned was living with her. The client was having serious health issues and needed heart bypass surgery. We also learned that her daughter who was living with her as well had brain cancer. The client was so overwhelmed caring for her daughter and grandson that she did not know how she would be able to have her most needed surgery. Who would care for her daughter and grandson? The pain of living was clear as she cared courageously for those she loves. We cried and prayed with her and she told us that we were the only people who listened to her story. This client was the face of Jesus. Lord, help me to always be open to helping my neighbor who is helping his neighbor. "How wonderful it is that nobody need wait a single moment before starting to improve the world."—Anne Frank

“To live charitably means not looking out for our own interests, but carrying the burdens of the weakest and poorest among us."—Pope Francis (November 25, 2013)
