

Week Five: Concluding Rites

Pages 31 - 32

The celebration of the Mass ends with the Concluding Rites. The priest gives us a **Blessing** and then says a **Dismissal**, sending us out to share God's love with others. We should remember that through the Holy Spirit, Jesus is with us every day. When we receive Holy Communion, our bond with Jesus deepens and we are able to be better, stronger disciples of God. We are able to better serve God as part of our parish community.
